MY LETTER OF INTENT

“Don’t be afraid to give up the good to go for the great.” John D. Rockefeller

I’ve always loved Harvard’s motto, Veritas.

I am a businessman. I love working hard and I love business.

I am also a communication professional. I do pay attention to what smart people say.

One day I came across an Ariana Rockefeller interview where she was saying “.. I think the message was: a dollar is a dollar. And .. you value that and put a lot of value on .. hard work and the enjoyment of life .. of course .. and you get back.”

Think about it: a dollar is a dollar. And the first president of the United States is on the one dollar bill.

I had many great business teachers. Donald Trump, Warren Buffett, Bill Gates, Robert Shiller, Jamie Dimon, Vladimir Putin, Jeff Bezos, Bernard Arnaut, Steve Jobs, Mark Zuckerberg, Larry Fink, the Google Boys, Henry Ford, Jay-Z and so many more. So I like studying success case stories. And one day while I was working on one of my IT projects with Intel’s Leadership Team, somebody said: “Build the Solution”.

Please don’t ask me to explain to you why The Number 1One is so valuable. Let’s just agree that The Number 1One.com is priceless. That I am being nice by setting the Company Valuation price at one Billion Swiss Francs. And that CHF 3.- per share is a very generous offer.

I am the founder of The Number 1One International. I am a Businessman and a law student. I’m more a poet than a capitalist. But you don’t wanna see me starving.

And why should you buy some of my shares, right ? You will find your own answers. But I will say:

You like this brand, **TheNumber1One.com**. You think that it’s beautiful, special and precious. You see its potential. And you want to own a piece of it. So you can shape it. Make it yours before it’s too late.
